About us

Lotus School, an English Medium Co - educational School at Ahmedabad was set up under the aegis of Mohinder Rani Charitable Trust in 2003. The foundation stone was laid by **Mr. Ajit Wadhawan** and **Mrs. Urmil Wadhawan** and since then it has been taking forward the legacy of providing quality education to young minds.

Our Curriculum is built around three core concepts.

Cognizance – Honesty - Accountability

Our school endeavours to inculcate the quality of believing in oneself and walking in dignity. It earnestly attempts to teach how to get along, be tolerant, not hurt others and maintain equality. The nourishing environment values each student as an individual enabling them to develop all attributes and skills for lifelong learning.

Our Vision

We aspire to make our school a world class Centre of Excellence in innovative learning where our student will be prepared to lead a successful life.

Our Mission

Mission is to create leaders by providing a positive, vibrant and inspiring environment to our students to succeed in becoming lifelong learners.

Our objective is to inculcate the quality of –

Leadership
Objectivity
Transparency
Unity
Sincerity

School Management Software

At Lotus School, we are continuously exploring innovative ideas and latest technologies to enhance educational outcomes. We also recognize that parental engagement can positively influence student's learning and progress.

The School Management Software with a philosophy of co-creation opens communication channels between the school, teachers, parents and students. It is a User-friendly, User-enabled and User-centric system.

Every student will be provided with a User ID and Password to access the School Management Software. All important information from school shall be intimated through the School Management Software.

Empathy And Respect

"Crafting Futures, One Student at a Time."

Lotus School aims to develop a sense of ownership and belonging in students through various avenues. Respectfulness towards their fellow students, teachers as well as the school property is a sign of ownership and belonging to the school. Through the respect certificates Lotus aims to appreciate and commend students whose actions show that they think of their school as their family and second home.

House System

"Educating Hearts, Illuminating Minds."

The House System forms the basis of all activities in the school. It promotes team spirit, group loyalty and healthy competition. The school is divided into four houses after the names of the elements of nature. i.e. Agni, Jal, Prithvi and Vayu.

Co-curricular Activities

"Unleashing Potential, Embracing Excellence."

SCHOOL INFRASTRUCTURE

"A Symphony of Learning, A World of Opportunities."
